

*Dear Golfers:*

Welcome to the 2021 KWGA golf season!

We are excited to announce our new interactive web site: [www.kwga.net](http://www.kwga.net)

This new site will allow you to register for all events, and pay for tournaments online.

Many people are working hard behind the scenes to provide golfers the ability to learn more about the KWGA, and to join our association online. While not completed, our intention is to provide the following and even more as we continue to develop the site. A special thank you to Chris Lim and Chin Oh of CLDO Consulting who donated their time and expertise in the development of our site.

**\*Tournament schedule and online registration forms/payment options.**

**\* One day event registration (green fees will still be paid directly to the course)**

**\*The ability to purchase KWGA logo attire**

**\* Coming soon, a history tab, highlighting our 90-year heritage and the traditional golf events and celebrations of the past 90 years.**

**\* Up to date golfing news, recent winners and social presence.**

**\*Access to KWGA governance and Tournament Rules**

In 2021 we will be expanding our social media presence. Bev Walker will be our designated Social Media Guru. Having a designated person will ensure that we reach as many people as we can who want to know about us and also help us celebrate our “winners”! Keep up to date by following us on Facebook or Instagram (KWGA KZOO).

Due to Covid, we are still confirming some tee times and shotgun starts. The website will be updated as soon as those confirmations come in. **It's important that you register for the events online, by the due date, as the link will no longer be available once that deadline has passed.** This is a big change for some of you, but it will make planning and preparing for each event a lot easier.

Our Fall Fling was such a success that we are having the event in the fall again this year. At first, we thought we would do just a Fall Fling and at the last minute decided to try to offer you a Spring Fling too! This has Julie scrambling to schedule, and as soon as we know the details it will be posted on the site.

The second annual West Michigan Cup will be held August 11<sup>th</sup> at Thornapple Pt, in Grand Rapids. This is an “online registration only” opportunity. A link to register is provided to you on our web site. 2021 West Michigan Cup shirts will be available soon. I hope to see many of you there, helping us defend the cup!

Our **90th** season officially begins at the Kalamazoo Country Club on May 17<sup>th</sup>. Remember that KCC requires that you pay cash for your green fees. Make sure you plan on participating in the June 28<sup>th</sup> one day event at Gull Lake Country Club, for our 90<sup>th</sup> celebration. It's going to be a busy year and we will be celebrating all season long with the annual meeting concluding our season September 20<sup>th</sup> at Sauganash.

I'm looking forward to a great summer and you are all “winners” in my book, I appreciate each and every one of you! Happy Golfing!

***Kim Rotz***

**2021 KWGA President**

**PS.** Keep an eye out for information regarding a “new” match play team event. Details coming soon!

# ***West Michigan Women's Cup***

**August 11, Thornapple PT (Grand Rapids)**

9:00 AM Shotgun

This will be a one-day competition between the KWGA and the Grand Rapids Women's Golf Association, for the "Best Women's Association in West Michigan"!

The tournament will be administered by a "team" from both organizations.

The boards have agreed on the following format:

Foursomes will be made up of two players from the KWGA paired against two players from the GRWR with similar handicaps. Each foursome has a potential four points to win for their teams, total team points win the cup. The 18-hole gross match-play format will consist of the KWGA team playing against the GRWR team for six holes of scramble and six holes of best ball with one point awarded for a win and one half point for a tie. The other six holes will be individual match play with one point per match and one half point for a tie. The cup will go to the organization with the most points.

Scorecards will indicate which holes you will be playing for each of the three formats.

There will not be any individual awards –each player will receive a commemorative gift.

Please come out and support the KWGA and help us defend the CUP!
