

Your Name	Nominating:	I am nominating this individual because:
Bev Walker	Kay Conrad and Coy Scheetz	I'm nominating these two for their awesome work for the KWGA 90th Celebration. From keeping everyone focused to get gifts to ensure that every player received a token of appreciation. They also put together books of each decade (something that we might not appreciate now, but future generations will). I want them to know that their work and dedication to the KWGA did not go unnoticed. We truly appreciate their efforts.
Joan Lucas	Kay Conrad & Coy Scheetz	I nominate these two people for all the hours spent on doing KWGA history with beautiful board and books to read. This history has waited to be done and Kay stepped up and spent many, many hours of organizing.
Karen Bailey	Jayme Heinomen	Jayme has added significant value to the Kalamazoo Women's Golf Asso. through the great strength of her championship playing ability. She has generously served on the KWGA board and led with excellence as its President. Her love for the game led to her vision for the successful West Michigan Cup Tournament leaving a distinctive legacy for future women golfers in the Kalamazoo area. By her quality character and multiple skills she merits this honor.
Sally Kennedy	Jayme Heimonon	She is always eager to help with anything. Great Lady!!
Ruthie Mason	Jayme Heimonen	Her dedication and contribution to KWGA throughout the years I have been a member.
Bev Walker	Jayme Heimonen	Jayme has spent years giving back to the KWGA. She was a board member, plays in tournaments and has spent significant time (along with Kim) setting up the West Michigan Cup. This tournament is a huge success for the KWGA. When I joined KWGA, Jayme was the first person I played with. It was at Battle Creek Country Club, 30 degrees and raining. I was made to feel welcome and haven't looked back since. Thanks for everything you do.
Diane Kiino	Jayme Heimonen	Jayme has been an active participant in the KWGA since she was a junior in college. Over the years she has served on the Board numerous times in the role of President; together with Kim Samelstad, she has been a perennial director of the Two Lady Best Ball, one of our most popular tournaments; she and her late husband, Joe, donated the traveling trophy for the Mixed Two Ball tournament and most recently, has been instrumental in establishing a relationship with the Grand Rapids Women's Golf Association and getting the West Michigan Women's Cup, an overwhelming success, up and running. I'm sure there are many other behind the scenes contributions Jayme has made to the KWGA and in my mind, there is not a more deserving woman for this award.
Jayne Vander Molen	Jaime Heimonen	Jaime has been instrumental in organizing several key tournaments, including the West Michigan Cup, and has dedicated many hours of service as a board member as well. She has been an enthusiastic participant and supporter of KWGA events for many years.
Tracy Piller	Coy Sheets	Coy is always positive and willing to help whenever needed. She works to recruit new members at every chance she gets and is one of the people we should all look up to and hope to be like as a golfer and most importantly as a person.

Your Name	Nominating:	I am nominating this individual because:
Kay Conrad	Coy Scheetz	<p>I am nominating Coy Scheetz as the 2021 recipient of the Genevieve Gilmore Award. Coy has been an active member of the KWGA for the past 17 years, and has served as recording secretary since 2009. She is very proud of the KWGA and works year-round promoting our organization. Just this past March, she visited more than 25 golf courses in Kalamazoo, Calhoun, Allegan and St. Joseph country. She spoke with the golf pros and managers as an advocate for KWGA, and provided the courses informational literature to make available to their members as a tool for increasing membership.</p> <p>She was key in the organization of the 90th anniversary outing this summer. She went to private businesses and golf courses securing donations. She assembled gift packages, and door prizes for the golfers of the outing. She with the help of Kelly Rowekamp, started and ran the new non-sanctioned Match Play event at States Golf this year. With regards to other outings, she routinely shows up early, offering to assist in any role needed.</p> <p>I believe Coy to be a wonderful ambassador for the KWGA, and she should be recognized for her contributions. Please consider her as the 2021 recipient of the Genevieve Gilmore Award.</p> <p>Thank you,</p>
Donna DeBault	Coy Scheetz	<p>Coy Scheetz has been a member of KWGA since 2007. As recording secretary Coy has supported the efforts of the board with the vision of continuing to bring quality golf to the members. Her responsibilities are to record board meeting activity & minutes of the organization's annual meeting. Coy speaks positively of the KWGA & has been a pleasure to golf with in the all the KWGA events.</p>
Sarah Tenbrink	Chin Oh	<p>All her hard work getting the new & improved website up & running!</p>
Tammy Ketchum	Beverley Walker	<p>There are a lot of people who have made great contributions to the KWGA in the last year. I do believe that Bev Walker stands out though. She has done great work with social media and the new website. It is so nice to have that info easily available to us and she keeps a close watch on everything with prompt responses. The improved communication with the members has been very helpful as well. She is on top of that for sure. I have also seen her helping run, do scorecards or something for every event I have been at this year. She also stepped up and helped out when we had the cup shirt debacle. I know that she took a lot of the flack and she didn't have to do that. It is hard to get people to step up and help out but she has answered the call and done an amazing job at helping bring the KWGA into the online world.</p>
Stephane Rice	Beverley Walker	<p>Her contribution to the association, her love for golf and more importantly, her love for all of us! We should all strive to be this good of a human!!</p>
DONNA J ROLSTAD	Beverley Walker	<p>Although Bev has been a member of KWGA for a short time she has brought a bright smile, infectious laugh, and the KWGA into the 21st century. She voluntarily developed the procedure for members to register for events electronically AND she was not a Board Member. She willingly gave of her knowledge, skills, and time to work out this procedure thus saving much time and errors for those hosting/working the events.</p> <p>Beverly consistently offers suggestions to better the KWGA organization which are usually adopted or at least considered.</p> <p>Bev has volunteered her professional photography skills and her DRONE to photograph our events and post them on several social media platforms.</p> <p>Bev is a breath of fresh air.</p>
Marni Drobny	Beverley Walker	<p>I know every board member does so much for our KWGA every year, and I appreciate all of your hard work and dedication to make this organization run so smoothly. This year, I think Bev came in and did a lot for us, especially for her first year (as far as I know her first year!)</p>
Diane schelb	Beverley Walker	<p>She has given all of herself to support this great organization unconditionally</p>

Your Name	Nominating:	I am nominating this individual because:
Jessica Reiser	Beverly Walker	<p>I nominate Beverly Walker for the KWGA Genevieve Gilmore award. Like Genevieve Gilmore, who was a member of several organizations and served on many boards, Beverly Walker volunteers her time and energy to several golf related groups and organizations including KWGA.</p> <p>Even though she is not a board member of KWGA, she has improved communications about KWGA and our events both through email and facebook. Whenever I respond to a communication with a question, I receive a thorough and timely answer from Beverly. Additionally she has helped organize events and pairings for KWGA tournaments.</p> <p>Beverly exemplifies the objective of the Kalamazoo Women's Golf Association (KWGA) which is to promote and encourage friendly, competitive golf among the women of the Greater Kalamazoo area. Besides KWGA, Beverly is president of a couples golf league at Gull Lake View Golf Course and has served in this capacity for several years.</p> <p>She independently organized a golf tournament at Stoatin Brae for any woman golfer who wanted to participate.</p> <p>Beverly is an outstanding candidate and merits this award.</p>
Sue Raschke	Beverly Walker	<p>Bev has organized website, her knowledge, caring and dedication to the KWGA has earned my nomination</p>
Tania Brammer	Beverly Walker	<p>Bev has been an invaluable addition to the KWGA by helping automate basic functions for the organization, such as online registrations and payments, eNewsletters, online surveys, and website enhancements. The ease of use for these enhancements are vital to attracting new members and provide efficiency and time savings for existing members.</p> <p>The other huge improvement is our social media presence, including taking action photos at events, and not just the winners who get posted on social media. This really promotes the organization well with either potential members looking to check us out, as well as new members who can validate their decision in joining the KWGA.</p> <p>Not only are her technical and communication skills such a welcome addition, but also her welcoming smile and infectious personality (her accent is pretty cool too!). Bev makes everyone feel welcome and makes an effort to meet everyone and know their names. Bev is always ready and willing to go above and beyond to share her talents to help better the KWGA, and with a smile on her face. We can all learn a lot from her selfless dedication, time commitment, and the approach she takes to communication and how treats everyone with respect.</p> <p>Please consider this nomination for Bev Walker fir the Genevieve Gilmore Award for Outstanding Service to the KWGA.</p>
Diane Gajor	Beverly Walker	<p>Beverly has participated time & time again to volunteer and organize so many events and outings. She always steps up and continues to welcome everyone. (And I've been a member of the KWGA for a short time.)</p>
