

*Dear Golfers:*

Welcome to the 2022 KWGA golf season!

2022 will prove to be another exciting year for our association. We are introducing a new Golf Software app that will allow us to run our events a lot more efficiently. Once loaded on your phone, this software application will show you the 2022 schedule at a glance, show pairings/tee times and allow you to post your scores while playing (aka live scoring). For those of you not using the GHIN handicap system, this app will also provide you a program to track your handicap. What does that mean for you?

- **We will only accept two handicap systems – GHIN and this app**
- **A much simpler registration process as we won't need to ask for all your details each time**
- **No handicap checks prior to the event**
- **Live scoring, no more waiting for tournament directors to add score cards**
- **The ability to review the 2022 schedule, entry deadlines and event pairings**
- **Hopefully next season, you will be able to register for events, using the app, we aren't quite there yet.**

We will introduce two new board positions in 2022. You are already familiar with the spectacular job Bev Walker is doing. Her role as Social Media and Website Manager is now official. Bev will be responsible for implementing the Golf Software app. Continue to expect great things from Bev. Kay Conrad did an outstanding job organizing our 90 years of history in 2021. She will now be the History Chair Person. We have several new board members for 2022, and we are working hard together to bring you a fabulous 2022 season. We will be sporting new name tags after the events so feel free to reach out to any one of us with questions, comments, or suggestions.

New this year: The two-person match play tournament is now a sanctioned KWGA event. We are going on a road trip to South Haven, playing at Hawkshead in September. Most importantly, you will only be able to register for events online this year. No more paper entries or checks will be accepted. We don't want to lose anyone, so if you are technology challenged, reach out to us, so we can help. We will have a computer at each event to help anyone that needs assistance. The WMC will be limited to 50 players for each association, so register early.

The goal of the board is to increase tournament play. If you played in a tournament last year, I challenge you to bring one more friend to participate in a tournament in 2022. If we all bring one more, our tournament participation will grow.

Once you sign up for your 2022 Membership, expect an email with instructions on how to install and log into the app. I look forward to seeing you this summer and don't forget..... **#Bring1 More**

### ***Executive Board Member Duties***

The **President** presides at all meetings & is available to fill other officer vacancies when necessary.

The **Vice President** supervises all KWGA tournaments & 1-day events.

The **Recording Secretary** keeps the minutes of all meetings & presents those minutes at all official meetings. She assumes duties of both President & VP if both officers are absent.

The **Corresponding Secretary** arranges the KWGA playing schedule, determining dates & locations of play; she generates all official correspondence.

The **Treasurer** is responsible for all KWGA financial transactions. She also verifies member information such as handicap validity & current roster data.

The **Social Media/Website Manager** will publish events and updates, using the KWGA website, social media, golf Software app and email.

The **History Chairperson** will work closely with the Social Media board member to gather pictures, winners and newsworthy events to compile a Picture/Memory Album. The Binder should be updated by the end of the golf season by the History Chairperson.
